Title of the study

MaDiH (مدیح) Mapping Digital Cultural Heritage in Jordan.

Invitation paragraph

Thank you for participating in the MaDiH Webinar "Identifying datasets on Jordanian Cultural Heritage: A user-feedback workshop" on Tuesday 13 and Wednesday 14, 2020. Please take a moment to complete this brief feedback survey. It will not take more than three minutes! Your feedback is highly appreciated.

What will happen if I take part in this survey?

If you agree to take part you will complete a survey anonymously. The survey will ask you questions about your experience and in using the MaDiH (مدیح) Repository and invite your feedback. The survey will take you approximately 3 minutes to complete.

Do I have to take part?

Participation is completely voluntary. If you choose to take part you will be asked to provide your consent. To do this you will be asked to indicate that you have read and understand the information provided and that you consent to your anonymous data being used for the purposes explained.

You are free to withdraw at any point during completion of the survey. If you wish to 'erase' your responses before exiting the survey, you will need to backtrack through the survey manually. Once you submit the survey, it will no longer be possible to withdraw from the study because the data will be fully anonymous.

****Please do not include any personal identifiable information in your responses. ****

Data handling and confidentiality

This research is anonymous and no personal data is collected. This means that nobody, including the researchers, will be aware of your identity, and that nobody will be able to connect you to the answers you provide, even indirectly. Your email address will not be collected and there is no required sign-in. The results of this survey will be stored in a password protected and encrypted file only accessed by the project team. It will be deleted upon completion of the project (February 2021).

The data controller for this project will be King's College London (KCL). Research is a task that the University carries out in the public interest. Your data will be processed in accordance with the standards set by the General Data Protection Regulation 2016 (GDPR).

What will happen to the results of the study?

The results of this user-survey will inform future developments of the MaDiH (مديح) future events and online repository.
